

Rain Out Procedures – District #3

1. District #3 has created a Facebook page. Rain out information will be communicated on that page. Sandy City has given District #3 permission to call our own rain out even if the Sandy City hotline has closed fields. Do not go by the hotline information. Please refer to the District # 3 Facebook page.
2. To access the Facebook page you can like the page. Just search for District #3 Soccer in the search button on Facebook.
