AIG & Travel Guard: Now insuring the costs of your soccer tournament

We are highly recommending you learn more about the new insurance policy by AIG called Registration Saver - *it can help protect you for the upcoming soccer season, soccer tournaments and camp programs.*

Even though you have already registered for this soccer tournament, you can still purchase a policy. The cost is only 7% of your tournament fees. Unforeseen events could prevent a player from competing in the tournament. A Registration Saver policy will provide financial relief should something happen.
